For a more traditional yet satisfying choice, the Meatballs On A Bun brings together flavorful meatballs drenched in marinara sauce, all encased in a soft bun. Philly Steak & Cheese is another highlight, combining tender

steak with melted cheese in a deliciously indulgent sandwich. For something a little different, the Sausage On A Bun provides a savory kick that pairs perfectly with the rest of the menu.

For those with dietary restrictions, The Italian Eatery has gluten-free options that don't compromise on flavor. Their Chicken Parmigiana and Veal Parmigiana are both gluten-free versions of these Italian classics, breaded and fried to perfection, then topped with marinara sauce and melted cheese. The Arugula & Golden Beet Salad is a unique choice, with earthy beets paired with the peppery bite of arugula, dressed in a tangy vinaigrette. For something sweeter, the Strawberry Field Salad features fresh strawberries combined with crisp greens, offering a burst of freshness. Another great option is the Caprese & Roasted Red Peppers salad, where the classic combination of fresh mozzarella, tomatoes, and basil is enhanced by the smokiness of roasted red peppers. The Italian Garden Salad is a light and fresh offering that includes a mix of seasonal vegetables, while the Caesar Salad brings a rich and creamy dressing, perfectly paired with crunchy croutons and Parmesan cheese.

For a more hearty meal, The Italian Eatery also serves a selection of deli sandwiches, each packed with robust flavors.
