At Petit Délice, located on Avenida Andrés Garcia Lavín in Mérida, the menu is a delightful blend of French-inspired dishes with a contemporary twist. For breakfast or brunch, their **Croque Madame** is a standout, featuring a warm, buttery bread topped with a delicious mix of ham, cheese, and a perfectly fried egg. If you're in the mood for something sweeter, the **Tartaleta de Limón** offers a zesty lemon filling encased in a flaky, buttery tart shell-a refreshing treat for any time of day.

For a light, savory option, the **Avocado Tartine** is perfect, with creamy avocado spread on toasted bread, often paired with a sprinkle of seeds for crunch. Another breakfast favorite is the **Huevos Benny**, a Mexican take on eggs benedict,

featuring poached eggs, a rich hollandaise sauce, and a choice of crispy bacon or ham. If you're looking for a more filling meal, the **Quiché Lorraine** is a hearty choice, with a perfect balance of creamy custard and savory bacon.

For those with a sweet tooth, the **Eclair de Chocolate** is a must-try, its delicate choux pastry filled with rich chocolate cream, and the **Macarrones** offer a delicate, melt-in-your-mouth experience. The **Pain Au Chocolat** is another favorite, with its soft, buttery dough and rich chocolate filling. Don't miss the **Platón de Frutos**, a refreshing fruit platter that pairs well with any of the café's beverages.

For a hearty start to your day, the **Breakfast Sandwich** and the **The Scramble** offer satisfying options. The **Croque Monsieur** is another indulgent delight, perfect for those craving something savory and cheesy. Lastly, the **Rancheros Shashuka** is a flavorful dish that combines eggs poached in a spicy tomato sauce, ideal for those who prefer a little heat with their meal.
