If you ever find yourself in Fort Erie, Ontario, the **Green Acres Family Restaurant** at 1554 Garrison Rd is the kind of place that reminds you why family dining never goes out of style. From the moment you walk in, the warm, inviting aroma of freshly cooked meals sets the stage for an experience that feels both comforting and satisfying. The **Green Acres Family Restaurant Menu** offers a perfect balance of hearty classics and homestyle comfort food - every dish feels like it's made with genuine care and tradition in mind. Whether you're here for breakfast, lunch, or dinner, the menu promises something for every craving and every member of the family.

The meal begins perfectly with the **Starters & Poutines** section, which is packed with crowd-pleasers that make sharing irresistible. The Mozzarella Sticks come out golden and crispy, with that satisfying cheese pull that's pure happiness in every bite. Garlic Bread is buttery and fragrant, perfect for dipping into one of the house soups, like the Hearty Soup that changes daily but always tastes like it's simmered with love. For something indulgent, the Onion Rings are crunchy perfection, and the French Fries are that ideal balance of crisp on the outside and fluffy inside. Each starter sets a cozy, welcoming tone that makes you want to slow down and enjoy.

Moving to something lighter, the **Salads** at Green Acres strike that delicate line between fresh and flavorful. The Garden House Salad bursts with crisp greens, ripe tomatoes, and cucumbers, tossed in your choice of dressing - a refreshing complement to the richer dishes. The Caesar Salad is a standout: crisp romaine lettuce, creamy Caesar dressing, shredded Parmesan, and crunchy croutons that feel homemade. It's the kind of salad that could easily become a meal on its own, especially when paired with grilled chicken.

For something more filling, the **Sandwiches** section on the Green Acres Family Restaurant Menu is where homestyle comfort truly shines. The Well Stacked Western sandwich - layered with eggs, ham, onions, and green peppers - is a breakfast-lunch hybrid that hits the spot any time of day. The Beef on a Soft Kaiser Bun is juicy and tender, served

with just the right amount of seasoning and sauce. The Grilled Chicken Breast sandwich offers a lighter but equally satisfying option, while the Hot Corned Beef is hearty and flavorful, reminiscent of an old-fashioned deli favorite. And of course, the Triple Decker Turkey Club is a local favorite - piled high with fresh turkey, crisp bacon, lettuce, and tomato. Every bite is classic diner perfection.

If you're a fan of Italian comfort food, the **Pasta Corner** deserves special mention. The Spaghetti Dinner is a timeless choice - generous portions of pasta coated in a rich tomato sauce, with just enough herbs to make it memorable. For something even more comforting, the Spaghetti & Meatballs is a family favorite, with tender meatballs that taste like grandma made them. The Ravioli, filled with smooth cheese and topped with savory sauce, is another dish that perfectly captures the homemade spirit of Green Acres.

Families with little ones will love the **Kids Menu**, which proves that the restaurant truly lives up to its "family" name. Each kid's meal comes with fries and is portioned perfectly for smaller appetites without compromising flavor. Kids can choose from classics like the Cheeseburger and Fries, Grilled Cheese, Chicken Fingers, or Fish and Fries. For a cozy touch, there's even Kids Spaghetti & Meatballs - a mini version of the adult favorite that makes every child feel included.

Overall, the **Green Acres Family Restaurant Menu** reflects everything that makes this Fort Erie gem so beloved: generous portions, quality ingredients, and comforting flavors that make you feel right at home. Whether you're diving into a plate of spaghetti, sharing onion rings with friends, or watching your kids enjoy their favorite meal, Green Acres delivers a dining experience full of warmth, flavor, and genuine hospitality. It's the kind of place that makes you want to come back - not just for the food, but for the feeling that every meal here is served with a smile.
