At Pete’s Big Bite Burgers on 817 Dundas St W, the menu is a satisfying balance between classic comfort food and hearty Canadian indulgence. The **Pete’s Big Bite Burger Combo** truly lives up to its name, offering a thick, juicy patty stacked with fresh toppings and a side of perfectly golden fries. For those craving something rich and smoky, the **Pulled Pork Poutine** delivers layers of tender pork over crisp fries, drenched in cheese curds and savory gravy. The **Cowboy Burger** stands out with its bold BBQ flavor, crispy onion rings, and tangy sauce, while the **Fire Hall Burger** brings a spicy kick for those who like some heat in every bite.

Lighter options include the **Greek Salad**, fresh and vibrant with feta and olives, and the **Grilled Chicken Melt**, a warm and melty sandwich that balances flavor and texture beautifully. The **Philly Cheese Steak** adds a touch of

American diner nostalgia, packed with thinly sliced beef and gooey cheese. For something unique, the **Steak on a Kaiser** offers a rustic twist, combining tender steak with the chewy texture of a Kaiser bun.

Dessert lovers will be more than satisfied with sweet treats like the **Chocolate Sundae**, **Berry Blast Sundae**, and **Ice Cream Sundae**, each rich and creamy in its own way. The **Milk Shakes** are thick, classic, and generously portioned-perfect for pairing with any burger. For a fun snack or a sweet finish, the **Funnel Fries** and **Funnel Cake Fries** are crispy, sugary delights that are impossible to resist.

For smaller appetites, the **5oz Burger Combo** still delivers that signature Pete’s flavor in a more manageable size, and the **Burger and Pulled Pork Poutine** combo gives diners the best of both worlds. Overall, every item reflects Pete’s Big Bite Burgers’ dedication to hearty portions, bold flavors, and a welcoming diner-style experience that keeps guests coming back for more.
