Whether you're a coffee aficionado or a tea lover, there's something on the menu that will cater to your tastes.

For those who love a strong, rich coffee, the **Espresso Bar** is the place to start. Here, you'll find classic favorites like the **Americano**, with its bold, smooth flavor that delivers just the right amount of kick. If you're in the mood for something creamier, the **Cappuccino** or **LatteChai** might be just what you're looking for. The **Cappuccino** offers a balanced blend of espresso and milk foam, while the **LatteChai** adds a delightful twist with spiced chai flavors for an extra layer of warmth. Another popular choice is the **Cortado**, a perfect balance of espresso and steamed milk that's smooth yet full of flavor.

Matchstick Fraser Street also offers a variety of **Teas** for those looking for a lighter, more soothing option. The **Matcha Latte** is a standout, featuring rich, earthy matcha paired with velvety steamed milk for a creamy, energizing experience. If you prefer a traditional tea experience, the **Sipping Matcha** offers a pure, unadulterated taste of this vibrant green tea powder. For those seeking something more familiar, the **Traditional Matcha** gives a more direct taste of matcha, while the **Assam Tea** and **Earl Grey Tea** bring classic, aromatic flavors for those who enjoy black tea varieties.

The **Brew Bar** at Matchstick Fraser Street is where things get exciting for coffee enthusiasts. The **Batch Brew** is a smooth, flavorful option for those looking for a coffee with a rich depth of taste without the need for an espresso shot. If you're in the mood for something a little more special, the **Feature Pour Over** is a must-try. The pour-over method highlights the natural flavors of the beans, providing a clean and aromatic cup that changes based on the beans of the day.

One of the highlights of the Brew Bar is the selection of single-origin coffees, which showcase the unique flavors of beans from around the world. The **Goro Muda** from Ethiopia offers bright and fruity notes that are a perfect pick-me-up. For a richer, more complex coffee, the **Antonio Tomas** from Guatemala delivers a smooth, nutty flavor profile with hints of chocolate. The **Akagera** from Rwanda is another fantastic choice, featuring a slightly fruity, medium-bodied flavor that's perfect for those who enjoy a balanced, flavorful brew.

Whether you're here for a quick espresso shot or a leisurely pour-over, the menu at Matchstick Fraser Street offers a little something for everyone.
